

SLU Enhanced Program Volunteers Enrollment Form

We are excited to announce the release of our enhanced “SLU Enrollment for Program Volunteers” self-registration process. This is only to be used for Program Volunteers in accordance with meeting Safety Membership Requirements.

Key Points:

- Upon account creation, Program Volunteers will receive a 20-day term license. Volunteers have 20 days from account creation to complete all required training before the license expires.
- Temporary license holders will not have full access to the catalog.
- To obtain a permanent license with full catalog access, please enroll in SLU through myBGCA.net. Click [here](#) link here on how to do so.

This new version is more intuitive and designed to improve the enrollment process for both new account creation as well as returning program volunteers.

Please share the updated support materials attached and discard any previous versions.
